

Sagola

Exhibiting at the Collision Repair Expo, Sagola is a global manufacturer of Spray guns and other associated components.

On display for the 3 days in April, Sagola will be showcasing the NEW Generation 4500 Xtreme spray gun which is at the forefront in design, ergonomics, balance and comfort when painting.

Sagola are pleased to announce an exciting new distribution partnership with Axalta Coating Systems to ensure Sagola has National presence. Demonstrations of Sagola guns in action with Axalta waterborne products will be occurring throughout the 3 days of the Expo.
