

## U-Pol Australia

U-POL is a UK-based global company dedicated for over 65 years to manufacturing and selling automotive refinish products, including body fillers, coatings, aerosols, adhesives and consumables of the highest quality. U-POL exports its products to more than 110 countries worldwide. As well as the U-POL brand, we market ISOPON and EUROPEAN GENUINE COATINGS labels.

Exhibiting at the Collision Repair Expo, U-POL will be promoting a number of new products from their range of bodyfillers, coatings and aerosol paints. Representatives from U-POL Australia, U-POL New Zealand and U-POL UK will be on the stand to provide the latest information on the range.
